I dont think none of these five c/o staff member here should
work for a jail based upon the decision they didn't do they
job accordingly so to resolve this issue complaint they should
loss they privileges job because this will not be accepted in this
matter because aprox this is Wisconsin institution violation
law rule's plus this is a temporary murder because i was dehydrated
in dying for water in the crazy chair plus holding my bladder
for aprox God dont know how long i could have mess up my inside's
holding my bladder for so long, so i will like to suit for \$75,000

to these 5 c/o staff member acting like kids when this suppose to be a business
